

Pull-up Banner

Pull up or Roll Up banners offer a lightweight, durable and versatile indoor branding solution. While they may be used outdoors they are not intended to withstand all weather conditions. Their effective design makes them portable, straightforward to set-up and easy to store or travel with

(850x2000mm)
R1100 for 1
R1995 for 2

X-Banner

The X-banner is a 1600X600mm print (on durable lay-flat PVC) plus easy-fold X-banner stand with carry bag. Each corner of the high resolution long-life print has an eyelet for easy, fast assembly onto the X-banner frame.

R2200 for 4

Snap /Clip-Frames

Did you know that snap frames are one of the most versatile; and affordable; framing options available for photos, posters or signage? The efficient design is intended to make changing graphics a fast, easy process. In addition, plastic and aluminum snap frames are lightweight and lend themselves easily to placement in almost every type of mount
